

*Terms & Conditions - Better Rate Promise

Better Rate Promise – emoney will find a lower interest rate, with one of the lenders we have access to, than the interest rate on your current mortgage. If we cannot find a lower interest rate than your current mortgage rate, we will provide you with a \$100 Rebel Sport gift card. The promise will be met where emoney has an interest rate that is lower than your current interest rate, for an equivalent loan. If we cannot provide a rate lower than yours (on an equivalent loan), you will be invited to lodge a claim. The promise applies by matching the rate to borrower on your existing mortgage to the rate to borrower of the loans available to emoney.

Rate will only be beaten on loans available to the general public from lenders incorporated and licensed within Australia where the interest rate is advertised on the lender's website for equivalent loans.

emoney reserves the right to determine, in its sole discretion whether your existing mortgage is an equivalent loan to the quotes you have obtained through us. An equivalent loan will have comparable loan features (e.g. offset accounts, redraw available), identical or similar security, identical loan purpose, interest-only and the period to which it applies, and any introductory rates.

Where you have a discounted rate on your home loan rate under a combination loan arrangement which requires you to have at least two loans to receive a discounted rate, the Better Rate Promise is applied to the interest rate calculated by averaging the rates on all loans in your combination loan.

If you have a cheaper rate, you must provide evidence to us in the form of a letter from your lender or statement of account for your mortgage (no more than 3 months' old) demonstrating the current comparison interest rate applicable to your mortgage.
